Welcome Home! Modern elegance meets cozy and charming in this fully renovated home nestled in a cul de sac with lush landscape around, yet situated in a highly desirable and convenient location to many of Jacksonville's hot spots! Through the front door this home offers a great drop zone, entry space with a half bathroom with a moody zen feel. Come into the main living space and the marble inspired, floor to ceiling tile that surrounds your electric fireplace catches your eye and the custom beam. The custom designed kitchen is ready for those who love to cook and entertain. The kitchen layout offers a peninsula shaped super slab of quartz to offer additional food prep space + room for dinner parties. Two toned kitchen cabinets, with a custom tile backsplash and vent hood, gives this kitchen an exquisite feel with gold accents! Primary bedroom is on main level- offering an en suite with two closets, dual sink vanity, walk in shower and private water closet room. Upstairs and a full bathroom. Gorgeous tile surrounds the tub to the ceiling, new vanity, fixtures, and paint! Enjoy your large backyard with paved patio + fire put area for those fun summer nights! Rear sliding door is brand new. Nothing in this home has not been touched- luxury vinyl plank throughout main level.
